Dear sponsor,

Hello ! It's been long time since we haven't been in touch. How are you and your loved ones? I am sure you all are safe and doing good out there. Me and my family are also fine out here.

As you know about the impact of covid-19 around the global. This virus is spreading exponentially region wise. It has rapidly affected our day to day life. Public health concern is increasing with recent rise in the covid -19 cases in Nepal. To curb this pandemic, Nepal is facing some forms of lockdown, encouraging people so as to reduce interactions between people. So, we aren't able to attend our school like before. But rest assured, I'm attending my online class regularly. It definitely don't feel same as learning in person but it works really fine. This pandemic has become the main attention globally. Thousands of people are suffering from this virus but thank to God that I'm still safe along with my family and hope you are also in good health condition together with your family. Now, let's drop this topic. We all know that our greatest festival ' New Year ' and ' Christmas ' are coming soon. I wish you a very ' Merry Christmas and a Happy New Year ' surrounded by your precious family and many blessings from the coming year. I wish you to have a best of

everything. I hope this covid-19 vanishes before our greatest festival begins. So, that we can celebrate like the years that have passed. Other than that I want to tell you that this lockdown has also provide a chance for me to get along and improve a relationship with my family. Well it's like a blessing in disguise for me cause I've got to learn many other new things.

I think this much is enough for today. Thank you for your generous support. Please be safe and take care of yourself and your family as this pandemic is not sparing anyone. I'm also trying to keep my family safe as this pandemic is increasing day to day in Nepal. Take care of yourself and keep following safety tips. And I hope this new year will be a fresh beginning for all of us. ' Thank You '

Dear sponsor,

Hello ! My happiness know no bounds while I'm writing this letter to you. I'm sure that you and people around you are healthy and fine over there, me and my family are also fine here.

As we know about the impact of covid 19. The whole world is suffering from this pandemic virus. This virus has ruined the life of many people and people are fighting against this virus by keeping social distance and following the ways that prevents this virus. It is increasing day by day in our country Nepal. Yo curb this pandemic Nepal is facing some forms of lockdown. So, we are not able to go our schools like

before. But our school is having online class and I am attending my online class regularly. However it's not good as learning in person but it's really effective.

Our teachers are doing best to give us good education even though in this critical situation. Now keeping this description of this virus aside I want to wish you 'Merry Christmas' and a 'Happy New Year' as these two most joyful are near. I wish you a sound health and successful life with these two joyful and precious events.

At last I want to say thank you for your health and your precious support in my education. I really appreciate your support towards us. I want to stop my writing here wishing you a happy life and sound health. 'Thank you'.

Dear sponsor,

Namaste,Hi! I am well here and hope that you are the same there. You will be glad to know that I had done well in the school last previous year. I got very good result of grade seven now I simply promoted in grade eight which means me a lot. Now, I have to study very well to get better marks than the previous one and I know I will make you very happy and proud towards me from my further result.

As we know that there is a very serious and dangerous issue about the virus which is shown as all over the world known as covid-19. That virus takes lots of innocent people lives which is very sad moments for us. Because of that virus we can't survive our life happily we can't fulfill our needs because of lack of money. For us, we normal family we have many problems of financial amount to take one time of food in a couple of days very hardly. But don't worry my parents used to do very hard works to earn some money in this hard situation to fulfill our needs. They never used to make us feel hungry they provides all the nutritious food and also they provides all the safety measures of corona virus in which we will not suffer from it. Hope you will also takes many safety rules and precaution of that virus in which you and your family will safe from that virus.

Heartly, I thankful for your kind help and support for me in this critical situation. I also pray for you and your family for good health and happy life from the grace of Lord Pashupatinath. Please convey my best regards to your family and my blessings to you and your success.

Thank you very much once again and lots of love for you and your family.

Hello and Namaste

I think you anxious about me since,i've not written you any letter for along time because of the corana virus.plesase have no axicty about me because i am fit and healthy . I hope you and your family are also fine there.here i have onile classes now days. It is regular like school classes.I am writing this letter to describe who i feel when regular classes where closed for six months.

For six months our regular classes where closed because of corana virus and can't meet with friends and teachers and attend our classes. I were also not allow to get outside from orphanage. First first day i where feeling boring by sitting in my room and sleeping any time.But slowly i were interested in some things like, playing guitar and keyboad,making arts,singing,and solving math problems. First first day i feel boring then i feel happy by doing those thing every day.i feel most excited when i hear about online classes and i feel happy when i had the first online class first online class experience .Now, days we are attending our regular classes on online by the zoom app.It fun to learn on online class.we have our online class for 4hours and 30minutes. It fun to do video chat with friends in online class.

Lastlly,I want thank you from my heart for you big helps and support. This much for today be save,fine and healthy.

How are you. I am fine here and my family . I hope you are fine there and your family . And how is your lockdown going. It is so boring yea??. Its so long I write a letter for you . My grammar is not good I hope you understand my letter!!

You know that a virus called covid-19 (corona virus) is very dangerous virus I hope you are safe from this virus. I don't know which country you live but I could say 'Be safe 'from this virus. I am also safe but in our country have 29,000 people who are suffer from (COVID-19). And how many people are suffer from (COVID-19) in your country . And be safe from it and don't walk in crowd and wear mask and use Antiseptic when you are outside home or inside. When your temperature is higher than your body temperature , go and check to the hospital. Ok !!

And this is much for today And Be safe Be strong

Take care yourself and your family!!

And don't be panic all thing will be right!!!
